

Lee's Summit High School Presents:

The Golden Goal Scoring Course

Lee's Summit High School is pleased to have John DeBenedictis: founder of The Golden Goal Scoring Course and author of the book, *The Last 9 Seconds: The Secrets to Scoring Goals on the Last Touch*, instruct this course. DeBenedictis, specializes in teaching players how to score more goals and get more goal scoring chances. He was a guest speaker to a standing room only crowd of over 500 coaches at the National Soccer Coaches Association of America's (NSCAA) coaching convention in Indianapolis. He has also been a guest speaker to coaches in California, Carolina, West Virginia, Maryland, and throughout Canada. Players that have taken his course over the past decade have shown phenomenal improvement immediately after taking the course. The skills they gain will last them for the rest of their careers. Students from his courses have gone on to break all-time scoring records, some that have lasted for over 30-years. More student accomplishments and testimonials are available on his website, www.goldengoalscoring.com. To attend this unique course, please fill out the registration form below. Spaces are limited.

At This Course You Will Learn - How To:

Just One More Goal Can Change Your Career

- Get more Accuracy in your Shot
- Get more Power in you shot when you need it!
- Tap the Power of the Mind and the Body
- Predict where the ball will go
- Predict what goalkeepers and defenders will do before they do them
- Read the game around the goal
- Get more Goal Scoring chances in a game
- **SCORE MORE GOALS IN THE CHANCES YOU GET**

- The John DeBenedictis Golden Goal Scoring Course includes over 1,000 slides and 100 videos that are very specific to scoring goals. Every aspect of scoring goals from a psychological perspective will be discussed. Rarely shared information about scoring is a key component of the course.
 - The Lee's Summit Golden Goal Scoring course will comprise of 6 sessions, 3 of which take place in the classroom and 3 which will take place on the field.
 - John will reveal some POWERFUL INFORMATION that involves training the mind specific to scoring goals.
 - John will work on perfecting a player's "inner game" as it pertains to scoring goals. He will provide players with some unique exercises that will help them train on their own to score more goals.
- This course will give players some insight into what some of the best goal scorers in the world and players do instinctively. The course will also help improve your overall game.

Part # 1 – Lecture Session

Preparing to Score More Goals

Session # 1 will provide you with the tools you will need in order to become a better goal scorer.

Points covered:

- How to train the mind to score more goals
- Learning about Visualization as it pertains to scoring goals
- How to prepare before each game to score more goals.
- Learn skills that will help you focus on your tasks whatever they may be in life.

Part #1– Field Session

Perfecting the technical and mental skills needed to score

- Players will take all the information from the lectures and learn how to apply them on the field in practices and games.
- Skill mastery both technically but also with the mind will be the focus of field session #1

Part # 2 – Lecture Session

How to Score More Goals

Sessions # 2 will show you how to take the information from session # 1 and apply it in your game. We will analyze the skills needed to score in more depth.

Session Two covers:

- How to avoid and correct the 2 most common mistakes players make when faced with a goal scoring opportunity
- How to score on half chances
- Understanding defenders
- How successful players manage to score more goals
- Scoring goals from different areas of the field

Part # 2 – Field Session

Refining the Techniques Needed to Score

- How to shoot with more accuracy
- How to shoot with more power
- What top three moves players need to master to get the most scoring chances
- Scoring off crosses

Part # 3 – Lecture Session

Beating the Goalkeeper and Defenders

Session Three covers:

- How to beat defenders and goalkeepers more consistently.
- The course teaches you how to study your defenders and keepers by knowing what they are attempting to do in order to stop you from scoring before they do it.
- How to beat defenders to the ball.
- How to understand your competition
- Scoring from Set Plays

Part 3 – Field Session

Summary and Practice Tips to Score More Goals

- In session #3, players will learn how to practice in game situations.
- Players will learn to blend skill and technique and make more correct decisions on the field that will help them score more goals.
- The most important Coerver moves when it comes to scoring goals will be perfected.

SESSION DATES, TIMES, AND LOCATIONS
